Programs and Agencies Defunded by the Proposed 2018 White House Budget

Programs Most Likely Relevant to the Work of Nonprofits

21st Century Community Learning Centers program — $1.164 billion
- This program supports the creation of community learning centers that provide academic enrichment opportunities during non-school hours for children, particularly students who attend high-poverty and low-performing schools.

Community Development Block Grant program — $2.994 billion
- The Community Development Block Grant (CDBG) program is a flexible program that provides communities with resources to address a wide range of unique community development needs.

Community Services Block Grant — $714 million
- The Community Services Block Grant (CSBG) provides U.S. federal funding for Community Action Agencies (CAAs) and other programs that seek to address poverty at the community level.

Corporation for National and Community Service — $958 million
- The CNCS is a federal agency that helps millions of Americans improve the lives of their fellow citizens through service and invests in thousands of nonprofit and faith-based groups that are making a difference across the country.

Corporation for Public Broadcasting — $454 million
- CPB is a private, nonprofit corporation created by Congress and the largest single source of funding for public radio, television, and related online and mobile services.

Global Climate Change Initiative and Green Climate Fund — $1.59 billion
- GCF helps developing countries limit or reduce their greenhouse gas (GHG) emissions and adapt to climate change. It seeks to promote a paradigm shift to low-emission and climate-resilient development, taking into account the needs of nations that are particularly vulnerable to climate change impacts.

Heritage Partnership Program — $19 million
- National Heritage Areas are places where historic, cultural, and natural resources combine to form cohesive, nationally important landscapes.

Indian Community Development Block Grant — $60 million
- The ICDBG Program provides eligible grantees with direct grants for use in developing viable Indian and Alaska Native Communities, including decent housing, a suitable living environment, and economic opportunities, primarily for low and moderate income persons.

Institute of Museum and Library Services — $207 million
- The Institute of Museum and Library Services is the primary source of federal support for the nation's approximately 123,000 libraries and 35,000 museums

Legal Services Corporation — $351 million

Serving nonprofits. Strengthening communities.
• LSC is the single largest funder of civil legal aid for low-income Americans in the nation. LSC distributes more than 90 percent of its total funding to 133 independent nonprofit legal aid programs with more than 800 offices.

**Low Income Home Energy Assistance Program** — $3.384 billion
• The Low Income Home Energy Assistance Program (LIHEAP) helps keep families safe and healthy through initiatives that assist families with energy costs.

**National Endowment for the Arts** — $119 million
• The NEA is the independent federal agency whose funding and support gives Americans the opportunity to participate in the arts, exercise their imaginations, and develop their creative capacities. Through partnerships with state arts agencies, local leaders, other federal agencies, and the philanthropic sector, the NEA supports arts learning, affirms and celebrates America’s rich and diverse cultural heritage, and extends its work to promote equal access to the arts in every community across America.

**National Endowment for the Humanities** — $106 million
• The NEH is one of the largest funders of humanities programs in the United States. Because democracy demands wisdom, NEH serves and strengthens our republic by promoting excellence in the humanities and conveying the lessons of history to all Americans.

**National Wildlife Refuge Fund** — $13 million
• The U.S. Fish and Wildlife Service is the principal agency of the Federal Government responsible for conserving, protecting, and enhancing fish, wildlife, and plants and their habitats for the benefit of present and future generations of Americans.

**Neighborhood Reinvestment Corporation** — $148 million
• The NRC seeks to promote reinvestment in urban, suburban and rural communities by local financial institutions working cooperatively with residents and local government. It funds 235 organizations, monitors their progress, and provides grants and consulting services.

**New grants to Community Development Financial Institutions** — $210 million
• The Community Development Financial Institutions Fund (CDFI Fund) plays an important role in generating economic growth and opportunity in some of our nation’s most distressed communities.

**Public Service Loan Forgiveness** — $10.213 billion (over 5 years); $27.471 billion (over 10 years)
• The PSLF Program forgives the remaining balance on your Direct Loans after you have made 120 qualifying monthly payments under a qualifying repayment plan while working full-time for a qualifying (government or not-for-profit) employer.

**Rural Economic Development Program** — $477 million (over 5 or 10 years)
• The Rural Economic Development Loan and Grant program provides funding for rural projects through local utility organizations

**Rural water and wastewater loan and grant program** — $498 million

**Serving nonprofits. Strengthening communities.**
789 Sherman Street | Suite 240 | Denver, Colorado 80203 | (303) 832-5710 | (800) 333-6554 | Coloradononprofits.org
• This program provides funding for clean and reliable drinking water systems, sanitary sewage disposal, sanitary solid waste disposal, and storm water drainage to households and businesses in eligible rural areas.

**Senior Community Service Employment Program** — $434 million

• The Senior Community Service Employment Program (SCSEP) is a community service and work-based job training program for older Americans. Authorized by the Older Americans Act, the program provides training for low-income, unemployed seniors.

**Social Services Block Grant** — $16.47 billion (over 10 years)

• The Social Services Block Grant (SSBG) is a capped entitlement program that provides funds to assist states in delivering social services directed toward the needs of children and adults.

**Supporting Effective Instruction State Grants program** — $2.345 billion

• The SEED grant program provides funding to increase the number of highly effective educators by supporting the implementation of evidence-based preparation, development, or enhancement opportunities for educators.

**Temporary Assistance for Needy Families Contingency Fund** — $6.039 billion (over 10 years)

• The Temporary Assistance for Needy Families (TANF) program provides temporary financial assistance for pregnant women and families with one or more dependent children. TANF provides financial assistance to help pay for food, shelter, utilities, and expenses other than medical.

**Other Programs and Agencies:**

- **Abandoned Mine Land Grants** — $90 million
- **Account Maintenance Fee Payments to Guaranty Agencies** — $443 million (over 5 or 10 years)
